

# How to Add Live Chat on Your Website

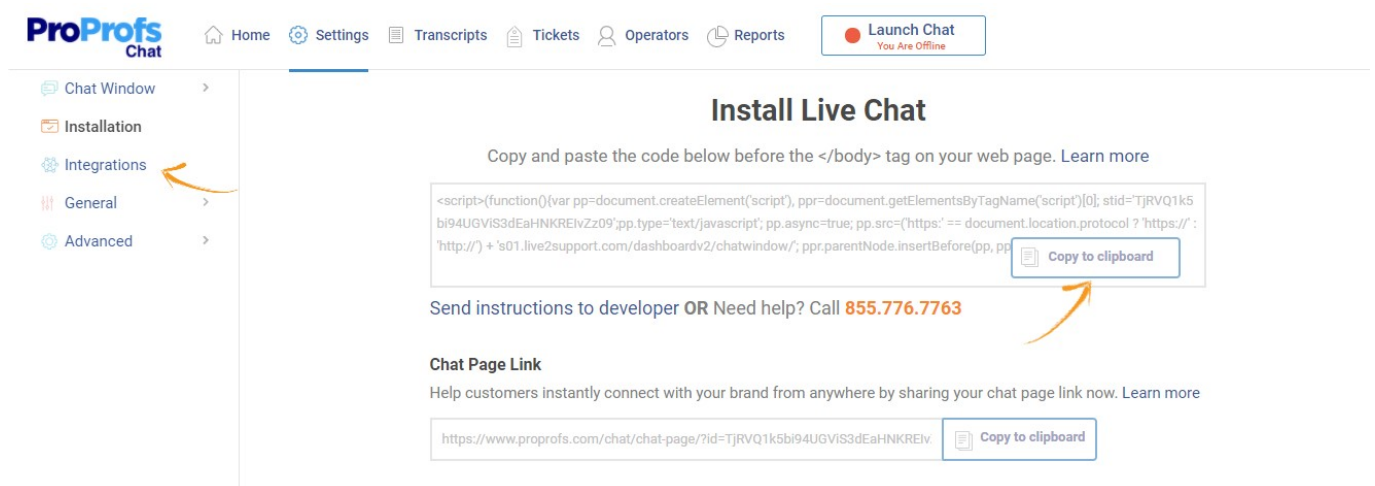

**ProProfs Live Chat** enables you to provide uninterrupted assistance to your customers and website visitors with quick responses, thereby, strengthening your overall customer service. Installing Live Chat on your website is easy and can be done in a few simple steps.

Here's how you can install live chat on your website:

**Step 1:** On your **ProProfs Live Chat** dashboard, click **Settings**.

**Step 2:** From the left pane, navigate to **Installation** and then click on the **Copy to clipboard** button to copy the code.

Alternatively, you can also send instructions to your developers if you want to, by clicking **Send instructions to the developer**.
